PASTOR T.J.'s CORNER

I bring you greetings in the name of our Lord and Saviour, Jesus Christ!

We ended our last sermon series with a word from the Lord about having a “Caleb” spirit. Numbers 13: 1-3, 27-30. A type of spirit that stands up in the midst of situations that can cause fear or in circumstances where others may think it’s too much to handle. Don’t allow the enemy to make what you’re going through become your reality. This is a time and a season in your life where you must choose *who* you’re going to believe as you go through your situation. A great example

of trusting in God and not succumbing to what’s going on around you is the story of Job. I’d like to encourage you to read it when you get a chance.

In Numbers 23:19 is says, “God is not a man that he should lie; neither the son of man that he should repent: hath He said, and shall he not do it? Or hath He spoken, and shall He not make it good?” Remember saints, when God comes in, He’s about to fix something and when He speaks, nothing can reverse it! A “Caleb” spirit is one of **boldness**. You must hold on to what God has said about you!

Saints, I am so excited about this next series and I want you to get ready for this next journey in the word. The Lord has taken us through a time of “Unshakeable Faith” and

then showed us where our “Unstoppable Faith” became like a freight train running with no brakes! Glory to God! Now it’s time for us to step into the flow of “Unlimited Faith” and all that God has prepared for us. According to your faith, be it unto you. If you have enough faith for it, God can make it happen. The lid is about to be taken off!

The windows of Heaven are open TOP and God is pouring out blessings, blessings, blessings.

CHILDREN & YOUTH MINISTRY

What exactly is Awana?

Awana is a nondenominational children's and youth ministry committed to "reaching boys and girls with the gospel of Jesus Christ and training them to serve Him." The mission of Awana is to assist local churches around the world in communicating to children the good news that Jesus Christ loves them and can save them from sin.

At T.O.P.C.I we commit ourselves to teaching children of all ages the Gospel of Christ through the Awana Clubs. Each Awana class teaches age appropriate biblical lessons.

Excited, rambunctious and wild

about Jesus is the best way to describe the children participating in the ministry. They are eager to learn and filled with joy to answer questions about the lesson. They start with a pledge, then prayer, then on to the lesson. At the end they review the lesson then play a game. The teachers work together as a team to make the activities fun and interesting.
